Windsor Shotokan Karate Club

The Instructors from this club started practicing martial arts some 37 years ago. Chief Instructor Ashley Jansen holds a 5th Dan Black Belt in Karate Jitsu and was awarded the title of Sensei (Teacher) from Master Yoshikazu Sumi 8th dan Head of the Karate School based in Japan. Ashley studied Karate under some of the most famous karate instructors in the world such as the late Kenosuke Enoeda 8th dan and Masao Kawasoe. Ashley spent several years studying under Master Sumi in Australia and Japan and stills trains with him during his visits to England every couple of years.

Beginners are taught on a one to one basis or in small groups and slowly move into the main class. The classes develop tremendous levels of fitness and discipline and push all students physically and mentally in a totally safe fashion. This is a very traditional Martial Art where size and strength do not matter and mind and body become one.

Walk This Way...

Minutes walking burned on tough terrain as intense workouts do in a fraction. A convenient way to tone your thighs and back.

Unlike most conventional training shoes that only support and cushion your feet, the unique, softening (levitating) action of the MR1 sole challenges the core strengthening muscles to be more active. This results in more supportive muscle action creates good posture and increases shock absorption for all.

By wearing this clear shoe, the back and joints are strengthened, calories are burned and circulation is increased.

The original MR1 shoe helped lead to the development of the MR2, MR3, MR4, MR5, MR6, MR7, MR8, MR9, MR10, MR11, MR12, MR13, MR14, MR15, MR16, MR17, MR18, MR19, MR20, MR21, MR22, MR23, MR24, MR25, MR26, MR27, MR28, MR29, MR30, MR31, MR32, MR33, MR34, MR35, MR36, MR37, MR38, MR39, MR40, MR41, MR42, MR43, MR44, MR45, MR46, MR47, MR48, MR49, MR50, MR51, MR52, MR53, MR54, MR55, MR56, MR57, MR58, MR59, MR60, MR61, MR62, MR63, MR64, MR65, MR66, MR67, MR68, MR69, MR70, MR71, MR72, MR73, MR74, MR75, MR76, MR77, MR78, MR79, MR80, MR81, MR82, MR83, MR84, MR85, MR86, MR87, MR88, MR89, MR90, MR91, MR92, MR93, MR94, MR95, MR96, MR97, MR98, MR99, MR100.

Confidence through drama and voice exercises

Voice Works opened at its Castle Hill venue in September 2005 and has already worked with over 100 students aged between 3 and 60 years.

Founder and director Jan Icke says, "the centre will not be a traditional drama school but will use activities to help students express themselves."

Jan provides an enlightened and upbeat approach to giving students confidence. The activities include team building games, voice and body exercises and drama workshops.

Kumon: Helping Children to Succeed

Every parent wants their child to enjoy school, achieve well academically and go on to lead happy and successful lives. Today however, more children than ever are complaining of stress due to the pressures of schoolwork. Consequently, many parents now look beyond school for additional support.

Kumon offers maths and English after-school study programmes, designed to help children of all ages and abilities to fulfil their potential. By treating each child as an individual, Kumon puts the emphasis on a long-term traditional grounding in the three Rs and on in-graining children with transferable self-study skills. Children study at their own pace and are given the confidence to succeed at school and beyond.

In previous years parents may not have thought to look outside of school for extra help, but today thousands of parents see it as a natural part of being a supportive parent.

For further information about how Kumon may be able to help your child contact 0800 854 714 or visit www.kumon.co.uk.

Brigidine School Windsor

Brigidine is a community of pupils (girls aged 3-18 and boys aged 3-5) where everyone is valued and where education is targeted to bring out the very best in each individual. They begin from the premise that everyone should be happy at Brigidine, that it is a place where a pupil should feel comfortable but where he or she should also be inspired. This sense of well being and inspiration enables teachers and support staff to help students to obtain the best academic credentials they can but also allows them to extend their interest and potential in the performing and expressive arts, in sport, in community service, debating, Young Enterprise and much more. Girls leave Brigidine at 18 with sound GCSE and A-Level results but also as caring, confident, flexible young women with **options** who go on either to university or art college where they do very well.

Why not pay the school a visit and see how your child could benefit from a Brigidine education.
Telephone 01753 863779 for an appointment.

Celebrating 200 years of outstanding education

St Piran's is a thriving co-educational IAPS day school with approximately 380 pupils aged from 2½ to 13. The school is set amid 10 delightful acres just to the north of Maidenhead town centre.

Battersea Dogs & Cats Home in Windsor

Battersea Dogs & Cats Home was founded in 1860, and since then they've cared for over three million canine and feline waifs and strays. To bring cats on to an equal 'paw' with the dogs, they changed their name to Battersea Dogs & Cats Home in June 2005. Their aims are to rescue lost and abandoned dogs and cats, reunite them with their owners, rehabilitate any that need extra help and rehome the ones that are left behind into loving and permanent new homes.

Last year they cared for over 12,000 dogs and cats, brought in as strays from London's streets or given to them by owners unable – or unwilling – to care for them any more. The dogs and cats are cared for by the kennel hands, and they have a team of vets and vet nurses to look after medical needs. On arrival, every dog has a behavioural and temperament assessment, and the Behaviour Unit is on hand to provide extra help in overcoming behavioural problems before rehoming.

In addition to the famous site in London Battersea also have centres at Brands Hatch in Kent, and at Old Windsor in Berkshire. Many of the dogs and cats which come into Battersea really need to find peaceful, loving homes outside of the town environment, and the quiet, leafy site at Old Windsor is the perfect place for these animals to live while they wait for the right owner.

There is no time limit on how long a dog or cat can stay, but it costs over £900 for each animal's stay, no matter how long or short it is. Battersea depends totally on the financial generosity of supporters. To find out more, and for lots of useful information and advice, visit www.dogshome.org

Working with the community

Community Safety is a key focus of Royal Berkshire Fire and Rescue Service. We work with schools, businesses and residents across the county to raise awareness of fire safety and how to reduce the risk. We also work in partnership with local agencies to reduce other community risks, including hoax calls and road traffic collisions. For more information, log on to www.rbfrs.co.uk.

Recycle it, don't rubbish it.

For more information about recycling services within the Royal Borough of Windsor and Maidenhead call 01628 683800

VEOLIA

REDUCING KITCHEN FIRE RISK

- Keep the oven, hob and grill clean. A build-up of fat and grease can quickly catch fire.
- Take care if you are wearing loose clothing, it can easily catch fire.
- Check the toaster is clean and away from curtains and paper rolls.
- Don't leave pans unattended. Take them off the heat when you leave the room.
- Don't overload sockets - use only one plug per socket.

For further safety information visit our website at www.rbfrs.co.uk

MAKING BERKSHIRE SAFER

Ready, willing & able

Not making a Will can cause all sorts of problems for those you leave behind. Many people think that everything automatically passes to certain people upon their demise, but this is not always the case. We will help you make your wishes clear so there can be no error, leaving you happy in the knowledge that you have done everything you can to protect your loved ones' futures. You would be amazed how much money is paid out to the taxman because people do not always plan properly. All too often most, if not all, of the tax already have been saved. You pay enough tax
