local advice

The Water World for family fun

For a fun filled time for all the family you need look no further than Coral Reef. The warmth of a tropical paradise with exciting rapids and erupting geysers.

Experience the thrill of three different giant flumes, including the white knuckle Boa Constrictor. In the Coral Pools there are shallow waters for toddlers and a pirate ship that the older children will love to climb aboard and then fire the water cannons. Children under eight years of age maximum two per adult (18+) and must be accompanied by an adult at all times.

For the over 18's Sauna World consists of three saunas, Japanese Steam Room, Cool Pool, Fitness Room and sunbeds.

Finish with a visit to the Coconut Grove Restaurant and Bar for a cooked meal or refreshing drink.

Watersports for all!

Get outside and get active this summer! There are a whole host of watersports activities out there just waiting to grab you and the kids – and not all of them are totally wet!

Whether you are 6 or 60 you can learn to Windsurf, Sail or Canoe at Bray Lake Watersports.

Whatever takes your fancy? It may be a gentle sailing course with an instructor in the boat with you, experiencing windsurfing for the first time or blasting on a high performance catamaran with personal tuition. It's your choice.

Perhaps one of the most useful local courses is where you can leave the kids all day – all week! You are always assured of a warm, enthusiastic warm welcome. To find out more telephone 01628 638860

Three ways to bring out the creativity in your child

TIME TO ACT

TIME TO DANCE

TIME TO SING

HERE'S a leisure activity that's fun, challenging and also helps 4-16 year olds to grow. Stagecoach teaches the skills they need to act, sing, and dance. Before long they begin to stand better, move more freely, express themselves more easily and clearly, grow more poised, confident and self-assured.

It's 'work' with a bubbly, like-minded group of friends. Your local Stagecoach runs at weekends, alongside the school term. There's no audition – enthusiasm is all they need.

For more information and a prospectus call 01252 844693 (Reading West, 01628 828888 (Henley, Maidenhead and High Wycombe Centres) or 0800 0833 795 (Reading Caversham Centre) or 01932 830437 (Reading East Centre, Earley). **ASK ALSO ABOUT OUR 5-DAY HOLIDAY WORKSHOPS.**

Jubilee Day Nursery and Jubilee Jets Holiday Club

Jubilee Day Nursery is a purpose built, flexible, bright and spacious area which along with over 5 acres of grounds is used to encourage early learning through experience and play, for babies and children between 3 months and 5 years.

Older children between 5 and 11 years can attend Jubilee Jets Holiday Club which run during every school holiday.

For more information please contact the nursery on 0118 970 1600 or visit our website www.jubileedaynursery.co.uk

Children's Information Centre

The Children's Information Centre has been successful in providing a one-stop shop of free information to parents and carers of children aged 0-14 years (16 with special needs) in the Bracknell Forest, Reading and West Berkshire areas for over 15 years.

The Children's Information Centre provides tailored support via their Family Information Service. With Information Officers that are locality based, they are able to assist local families with one to one support if required. This personal assistance is enhanced by a strong internal team of Information Officers, eager to research requests on an individual basis.

All members of the family who support children and young people up to 19 years old can gain easy access to a wide range of information, such as childcare options, leisure activities, special needs, education, health matters, support groups and much more via a freephone telephone number, by email or in person at various outreach locations across the three local authority areas.

Tel: Freephone 0800 328 9148.

How singing, dance and drama create a many-sided child

Stagecoach Theatre Schools offer an exciting opportunity for boys and girls between the ages of 4 and 16 to learn the skills of drama, dance and singing. Classes run at weekends or evenings during term time for 90 minutes for the 4-6 year olds and for 3 hours for the 6-16 year olds. Not only are the classes fun and rewarding for budding performers but they also have a real impact on the students' confidence and outlook. There are certain qualities that Stagecoach seeks to develop alongside the technical skills of performance. These are a positive, 'can do' attitude, self-awareness, creativity, enthusiasm and commitment to the task at hand, together with focus and self-discipline. Most of all, Stagecoach expects their students to show courtesy, kindness and respect to others at all times. The development of team spirit underpins everything and because Stagecoach is a training based school, even the shyest child will find that they are given the time and encouragement to blossom. To find out more telephone 01252 844693 for West Reading, 01932 830437 for East Reading or 0800 0833795 for Caversham.

Shinfield Players

Shinfield Players Theatre is an active local theatre open to all ages and abilities. We do everything involved in putting on productions, from their inception right down to collecting tickets. We run several Youth Groups, workshops and put on 10 shows every year. New members are always welcomed.

Step up to The Highlands

A child's first day at primary school or nursery is a big step. However at The Highlands School they do everything in their power to prepare both children and parents. Months before the big day, in September, families are invited into the school to talk to the staff and discuss practical needs of timetables, uniform and equipment.

On the new child's first morning staff allocate time to settle both children and parents making the transition from home to school more successful.

Tel: 0118 942 7186.

Hemdean House School

Hemdean House School offers a small, caring and friendly environment in which junior girls and boys grow in confidence and achieve excellent academic progress; senior girls are supported in their studies by experienced teachers and exceed their expected GCSE results.

A recent inspection report stated, "Throughout the school, pupils demonstrate positive personal qualities, encouraged and developed by an ethos that emphasises personal responsibility, strong moral values and concern for others."

Steps for success

CFBT Advice and Guidance (as part of nextstep Berkshire), along with its partners Scout Enterprises and WEA, are running courses within their new Steps for Success programme. This programme has been awarded to CFBT, by the Learning and Skills Council, due to their excellent track record in helping clients into learning, training or work.

If you are returning to work, a migrant worker, recently made redundant, 'stuck in a rut', in temporary employment or long term unemployed, then Steps for Success could be for you!

They offer an assessment and advice to help determine your needs, then determine the right course for you. Either, a vocational taster session, a 'return to work' workshop, a 'working in the UK' workshop (for clients new to the UK), or a longer 'skills for work' course

They also offer guidance to help you plot your onward steps into learning, training or work.

For further information please contact nextstep Berkshire on 0845 601 8595, or via their website www.nextstepberkshire.org.uk, or text on 07795358392.

REDUCING KITCHEN FIRE RISK

- Keep the oven, hob and grill clean. A build-up of fat and grease can quickly catch fire.
- Take care if you are wearing loose clothing, it can easily catch fire.
- Check the toaster is clean and away from curtains and paper rolls.
- Don't leave pans unattended. Take them off the heat when you leave the room.
- Don't overload sockets - use only one plug per socket.

These are two of the most common problems that people face when booking the holiday of their dreams.

Woodley Travel can help you with both of these problems, providing you with a minibus or even a coach from your door to the airport of your choice including Southampton, Bournemouth, Gatwick, Stansted, Heathrow, Luton etc. If you are travelling to the continent by ferry they can even help with the ferry booking.

If you are delayed on your return they will check on your flight and ensure that you will be picked up however late your flight may be.

Woodley Travel have been operating for 10 years and have found that friendly, helpful drivers, efficient service from all their staff along with new coaches, flexibility and professionalism is the least that our customers expect. In addition to this, Woodley Travel aims to beat every genuine quote and stick to that quote even if prices rise months later. Telephone 0118 989 3666
