Sandford Springs Golf Club, Kingsclere, RG26 5RT

It's varied and challenging golf, coupled with first rate facilities and a progressive attitude you are after, then look no further than Sandford Springs. Nestling in the rolling hills of Berkshire and North Hampshire, Sandford offers the challenge of three distinctive and unique loops of nine holes. The course has received a substantial seven-figure investment by the clubs owners Leader board. This includes a new irrigation system; new drainage; relined ponds and the reshaping, renovation and redesign of a large number of bunkers. On top of this there is a new half way house, and a new ornamental putting green. Plus the eight bay driving range and chipping green have both proved popular.

Call now on 01635 296800 or visit www.sandfordsprings.co.uk to come and experience it for yourself.

Affordable all-round family entertainment

Open 365 days per year the John Nike Leisure Sport Complex has an Olympic-size ice rink, superb ski centre, Cardio Theatre Health Suite and snooker club. It has ski runs, lifts including the country's only two man chair lift and is just the place for pre-holiday ski practice or lessons. Bracknell ski centre has a revolutionary ski surface 'perma-snow'. If you are in to skiing or snowboarding then this is the place to do it.

Not only a great trip out for all the family, corporate entertainment is also catered for with exciting group ski and snowboard lessons, broomball and go-karting on ice. Telephone 01344 789000 for session times and prices.

Working with the community

Community Safety is a key focus of Royal Berkshire Fire and Rescue Service. We work with schools, businesses and residents across the county to raise awareness of fire safety and how to reduce the risk.

We also work in partnership with local agencies to reduce other community risks, including hoax calls and road traffic collisions.

For more information, log on to www.rbfrs.co.uk.

Sovereign Housing Emergency Care Line

The careline service helping you to live independently by having the reassurance that you can get help whenever you need it, even if you don't have a phone. The full range of Telecare equipment including fall detectors, smoke alarms, carbon monoxide detectors and gas shut-off valves can be viewed on the Sovereign website www.sovereigncareline.co.uk or call 01635 552801 for a free demonstration.

REDUCING KITCHEN FIRE RISK

- Keep the oven, hob and grill clean. A build-up of fat and grease can quickly catch fire.
- Take care if you are wearing loose clothing, it can easily catch fire.
- Check the toaster is clean and away from curtains and paper rolls.
- Don't leave pans unattended. Take them off the heat when you leave the room.
- Don't overload sockets - use only one plug per socket.

For further safety information visit our website at www.rbfrs.co.uk

Retirement community coming soon to Kintbury

Audley, one of the UK's leading retirement developers, will provide 96 one and two bedroom apartments for Kintbury's over-55s.

The development will be arranged in and around a former luxury spa and health hydro, once owned by the Champneys Group. Named Inglewood, the site is ideally located, nestled in the beautiful Berkshire countryside and surrounded by open meadows and rolling hills.

Leanne Johns, sales and marketing manager for Audley, comments: "2007 will see us restore the former health spa to its former glory and transform it into a new retirement community to provide over 55s with independence and security." Inglewood will offer a wide range of facilities and activities aimed at promoting an active lifestyle as well as a variety of optional support services to meet the differing needs, abilities and aspirations of its residents.

Properties are expected to be released for sale in September 2007. For further information on Inglewood, telephone 01784 457615 or visit www.audleylife.co.uk

Steps for success

CFBT Advice and Guidance (as part of nextstep Berkshire), along with its partners Scout Enterprises and WEA, are running courses within their new Steps for Success programme. This programme has been awarded to CFBT, by the Learning and Skills Council, due to their excellent track record in helping clients into learning, training or work.

If you are returning to work, a migrant worker, recently made redundant, 'stuck in a rut', in temporary employment or long term unemployed, then Steps for Success could be for you!

They offer an assessment and advice to help determine your needs, then determine the right course for you. Either, a vocational taster session, a 'return to work' workshop, a 'working in the UK' workshop (for clients new to the UK), or a longer 'skills for work' course

They also offer guidance to help you plot your onward steps into learning, training or work.

For further information please contact nextstep Berkshire on 0845 601 8595, or via their website www.nextstepberkshire.org.uk, or text on 07795358392.
